Eco- Club Report

Govt. Degree College Khundian

Solar Power Pack Installation

The Eco Club of GC Khundian installed the solar power pack in College campus on June 12, 2024. This was done to utilize the solar energy and to conserve the electricity in the college. It is purchased through the grant provided by HIMCOSTE of Rs. 25000/- under EEP. The power pack includes Solar Photovoltaic Module of 60 watt, Solar battery 40Ah, 4 LED Bulb of 6watt. Two bulbs were fitted in Library and two at main entrance. All members of Eco club and Energy Club were present there.
