DEPARTMENT OF ENGLISH

Workshop on Mock Panel Interview

A Report **Date: 21-02-2025**

The Department of English at Government Degree College (GDC) Khundian, in collaboration with the Commerce Department and the Career and Guidance Committee, organized a Mock Panel Interview Workshop aimed at equipping students with essential interview skills for the competitive job market.

Objective: The primary goal of the workshop was to provide students with practical experience in handling panel interviews, thereby enhancing their confidence and preparedness for future employment opportunities.

Date and Venue: The workshop was conducted on **20-02-2024** at the college campus.

Participants: The workshop engaged students from various disciplines and classes, especially IIIrd year students, who expressed interest in refining their interview techniques.

Structure of the Workshop:

1. **Introduction to Interview Techniques:** The session commenced with an overview of effective interview strategies, emphasizing the importance of preparation, professional attire, and positive body language.
2. **Mock Panel Interviews:** Students participated in simulated panel interviews, each facing a panel comprising faculty members like Prof. Virender Singh, Prof Pardeep, Prof Sandeepa, Prof. Surinder Singh, Prof. Shivani. These mock sessions were designed to mirror real-world interview scenarios, allowing students to experience the dynamics of a panel interview firsthand.
3. **Feedback and Discussion:** After each mock interview, the panel provided constructive feedback on the students' performance, highlighting strengths and areas for improvement. This segment encouraged open discussion, enabling students to learn from each other's experiences.

Key Takeaways:

- **Enhanced Interview Skills:** Participants gained valuable insights into effectively responding to common interview questions and handling panel dynamics.
- **Increased Confidence:** The hands-on experience helped students build confidence in their abilities to perform under pressure.
- **Peer Learning:** Observing peers during mock interviews facilitated a collaborative learning environment, fostering mutual growth.

Conclusion: The Mock Panel Interview Workshop successfully met its objective of preparing students for the job market by providing practical experience and expert guidance. The collaboration between the English and Commerce Departments, along with the Career and Guidance Committee, proved instrumental in delivering a comprehensive learning experience.
