REØPORT

Red Ribbon Club

Health Department organized a comprehensive health awareness program focusing on two critical topics: *Anaemia* and *Menstrual Hygiene*. This initiative was aimed at educating students, especially young women, about the significance of proper nutrition, awareness regarding anaemia, and the importance of maintaining menstrual hygiene for overall health and well-being. The program aimed to raise awareness, provide practical information, and encourage healthy practices that would contribute to improved health in the college community. Different competitions poster making, quiz, slogan writing also conducted on this day.
