Annual Review Report (2024-25)

On the basis of the feedback received from students and parents a number of steps were taken for the improvement of the college in this session. Apart from this many activities were also conducted for the overall development of the students. The Annual Review Report covers all the above points as well as students performance in the academic session 2024-25 which are as follows:

1. Fresh drinking water was not available in the college from long time. Keeping this in view a submersible water pump was installed in the college premises.

2. In this session some amount of money was sanctioned for the construction of the college playground for which work is in progress.

3. Proper demarcation of college land has also been done in this session.

4. Some Assistant Professors from the college were on deputation to GDC, Jiralai. But as per an order received from Directorate of higher education they were directed to take online classes so that the study of students may not suffer. For this a virtual studio was prepared for facilitating online classes.

5. Seperate wooden cabins were installed in the library and seating capacity

was increased so that more and more students can benefit from library.

6. A Tennis table was installed in the campus for promoting sports activities in the college.

7. One of the student of B.Com-IIIrd year Kamna performed exceptionally well in HPU final examination in this session and brought laurels to the college. She stood IInd in Himachal Pradesh in B.Com-IIIrd year HPU examinations held in March-April 2024.

8. Our College signed MoU with Govt. College Nagrota Bagwan and Govt. College Majheen. Some of our students like Sumit, Neha and Sejal etc attended a Campus Placement programme held at Nagrota Bagwan. Furthy students were encouraged to participate in such campus Placement drives in future also.

9. Two students of GDC Khundian, Munish Kumar and Nitin, went to Hyderabad to participate in Yuva Sangam programme, from 28th Dec 2024 to 05 Jan 2025. Through such propgms, the students get exposure and a chance to experience different aspects of life & culture.

10. Dept of Commerce and Dept. of English in collaboration with career and guidance cell organised a lecture on Interview skills and a workshop on Mock Panel Interview respectively. The primary objective of this was to prepare students for the job market and to provide them with pratical experience in handling real interviews, thereby enhancing their confidence.

After discussion among all the members of the Committee, the following points were suggested for the upcoming session i.e 2025-26 to enhance the students outcomes in the the academics, Co-curricular & extension activi

1. Special attention will be paid to academic and co-curricular activities among students for their overall development.

2. Career Councelling will be the prime objective of the college as state govt is also paying special attention to it. For this, students will be guided through various lectures about the competitive exams Patterns, conducted by state and Centre govts from time to time. Moreover, students will be encouraged to take part in campus placement drives held in the colleges with which we have signed MoU

3. The maximum participation of students in co-curricular, extra curricular & sports will be ensu

The above points were conveyed to all the faculty members for their effective implementation
